

SECURE TRAY

The Secure Tray is ideal for quick and easy use, storage and transportation of paint and tools.

Secure Tray is durable, reusable, versatile, recyclable and affordable. Manufactured from high density polyethylene plastic, the Secure Tray is lightweight, and durable.

Makes painting easy and quick. Air tight lid keeps paint and roller fresh and ready to use even after hours of storage.

Secure Tray's unique fastening method allows attachment to any ladder top providing a solid and stable work surface.

- Multi-Use Paint Tray / Tool Caddy
